Sommario/riassunto

This book features the second selection of the most representative papers presented at the international conference "Dying and Death in 18th-21st Century Europe" (ABDD), a traditional scientific event organized every year in Alba Iulia, Romania. The book invites the reader on a fascinating journey across the last three centuries of Europe, using the concept of death as a guide. The past and present realities of the complex phenomena of death and dying in Romania, the United Kingdom, Lithuania...
