Sommario/riassunto

Truly comprehensive in scope - and arranged in A-Z format for quick access - this eight-volume set is a one-source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society. Entries cover the full range of hotly contested social issues - including economic, scientific, environmental, criminal, legal, security, health, and media topics. Each entry discusses the historical origins of the problem or debate; past means used to deal with the issue; the current controversy surrounding the issue from all perspectives; and the n
