| Sommario/riassunto      | "With contributions and comments from a range of distinguished<br>Biblical scholars, this work fulfills Mortimer Ostow's promise to unite<br>psychoanalysis and the study of the Kabbalah. Ranging over both<br>general psychoanalytical commentaries on the framework of mysticism<br>and the "apocalyptical complex" and essays on specific incidents in the<br>Bible and the Kabbalah, it opens doors into many fascinating avenues<br>of enquiry. A glossary of the terms used make it accessible to those<br>who have little or no knowledge of Jewish mysticism; they, along with<br>more experienced students of the field, will find Ultimate Intimacy an<br>engrossing and stimulating read."--Provided by publisher. |
