

1. Record Nr.	UNINA9910789488903321
Titolo	The Little Data Book on Climate Change 2011
Pubbl/distr/stampa	Washington, D.C. : , : The World Bank, , 2011
ISBN	1-283-49188-5 9786613491886 0-8213-8964-5
Descrizione fisica	1 online resource (253 pages)
Collana	World Development Indicators
Disciplina	363.73/87 363.7387
Soggetti	Climatic changes
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Contents; Acknowledgments; Foreword; User guide; Regional tables; World; East Asia and Pacific; Europe and Central Asia; Latin America and the Caribbean; Middle East and North Africa; South Asia; Sub-Saharan Africa; Income and other group tables; Low income; Middle income; Lower middle income; Upper middle income; Low and middle income; High income; Euro area; Small island developing states; Country tables (in alphabetical order); Renewable energy in 2010; Urban areas; Summary of national actions: Renewable energy targets and non-Annex-I country GHG emissions reduction goals; Glossary References
Sommario/riassunto	The Little Data Book on Climate Change is based on World Development Indicators 2011, the World Bank's premier data publication. It provides a broad overview of climate change data and includes a diverse set of indicators selected from both the global economic and scientific communities. These indicators reflect recognition of the intrinsic relationship between climate change and development, and attempt to synthesize important aspects of current and projected climate conditions, exposure to climate impacts, resilience, greenhouse gas emissions, and the state of efforts to take action. This handy pocket guide is one of seven titles in the World Bank's Little Data Book series, which provides data "snapshots" of key

global development issues. It provides country data for 218 World Bank member countries for more than 50 indicators in a single page. These tables are supplemented by aggregate data for regional and income groupings.
