Sommario/riassunto	The book is the product of a protracted, laborious and scrupulous research and draws on a most extensive and varied assembly of documents. But the archival evidence, factual accounts and even personal narratives would have remained remote, dry and cold if not for the author's remarkable gift of empathy. Barbara Engelking gives the witnesses of the Holocaust a voice which readers of this book will understand....Under her pen memories come alive again.--from the Foreword by Zygmunt BaumanOriginally published in Polish to great acclaim and based on interviews with survivors of the Holocaust in Po
