Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	David between ideology and evidence / Bob Becking -- Mercator in the wilderness : Numbers 33 / John R. Bartlett -- Origins of Israel between history and ideology / Meindert Dijkstra -- The case of the corrupting consensus / Lester L. Grabbe -- Hasidisms and their militant ideologies : 1 and 2 Maccabees, Psalms 144 and 149 / Harm van Grol -- The Old Testament as a diachronic corpus / Marinus Koster -- Pharaoh Shishak's invasion of Palestine and the Exodus from Egypt / Andrew Mayes -- The Greek Esthers and the search for history : some preliminary observations / Jill Middlemass -- Does archaeology really deserve the status of a 'high court' in biblical historical research? / Nadav Na'aman -- Prophecy and history in the book of Judges / Klaas Spronk -- Resisting the past : ancient Israel in Western memory / Keith W. Whitlam.
Sommario/riassunto	The historiography of Ancient Israel is much debated. The various approaches are never void of ideology and some reckon more with the available evidence than others. This volume consists of a set of case-

studies that reveal the difficulties that arise when trying to write a history as honestly as possible. This implies that both the archaeology of Ancient Palestine - the finds and their interrogation - as well as the Philosophy of History - their models and their implications - are discussed. The outcome is a variety of approaches that inform the reader of current views on the history of Ancient Israel.
