people living with disability in the Third World context : the Zimbabwean pentecostal concept of "curses and blessings" in the light of disability / Francis Machingura -- The Indian disability rights paradigm : the reality versus rhetoric / Anuradha Saibaba Rajesh -- "People's health in people's hand" : story of a voluntary organization in rural West Bengal / Satyabrata Chakraborty -- Human rights and information society : problematizing India / Dipankar Sinha -- Biotechnology and human rights / Subhasis Mukhopadhyay.

Sommario/riassunto

Human Rights and the Third World: Issues and Discourses deals with the controversial questions on the universalistic notions of human rights. It finds Third World perspectives on human rights and seeks to open up a discursive space in the human rights discourse to address unresolved questions in human rights, citing issues and problems from different countries in the Third World.
