The study of kinship systems.                                                                                                                                                                                                                                                                                    |
| Sommario/riassunto      | This is the first collection of Radcliffe-Brown's work chosen to represent his books as well as his essays. It includes some classic pieces, and also one or two lesser-known items. Radcliffe-Brown was a pioneer who established structural, sociological anthropology, in the face of the entrenched traditions of ethnology and social evolutionism.<br><BR> First published in 1977. |
