Sommario/riassunto	Ignatius of Antioch (died c. 115) is one of the Apostolic Fathers of the Christian Church. In his letters to other churches he re-interpreted church order, the Eucharist and martyrdom against the backcloth of the Second Sophistic in Asia minor by using the cultural material of a pagan society. He so formed the idea and theology of the office of a bishop in

the Christian church. This book is an account of the circumstances and the cultural context in which Ignatius constructed what became the historic church order of Christendom. Allen Brent defends the authenticity of the Ignatian letters by
