Sommario/riassunto	How to Read the Qur'an, a compact introduction and reader's guide to the Qur'an, featuring illuminating new translations of 725 Qur'anic verses, is the most up-to-date toolbox for anyone who wants to know how to approach, read, and understand the text of the Qur'an. Noting that many people are baffled by existing English translations, Ernst aims for the book to be useful for both non-Muslim and Muslim readers who are interested in a historical, literary, and religious studies approach to understanding the Qur'an. The book is designed for general readers and will also be eminently suitab
