Sommario/riassunto

Fantastic strategies for getting high school students excited about writing. This book offers 50 creative writing lesson plans from the imaginative and highly acclaimed 826 National writing labs. Created as a resource to reach all students (even those most resistant to creative writing), the off-beat and attention-grabbing lessons include such gems as "Literary Facebooks," where students create a mock Facebook profile based on their favorite literary character, as well as highly practical lessons like the "College Application Essay Boot Camp." These writing lessons are written by e
