Sommario/riassunto	Anthropology is particularly well suited to explore the contemporary predicament in the coming of age of young men. Its grounded and comparative empiricism provides the opportunity to move beyond statistics, moral panics, or gender stereotypes in order to explore specific aspects of life course transitions, as well as the similar or divergent barriers or opportunities that young men in different parts of the world face. Yet, effective contextualization and comparison cannot be achieved by looking at male youths in isolation. This volume undertakes to contextualize male youths' circumstances
