Sommario/riassunto Legitimating Television: Media Convergence and Cultural Status explores how and why television is gaining a new level of cultural respectability in the 21st century. Once looked down upon as a ""plugin drug"" offering little redeeming social or artistic value, television is now said to be in a creative renaissance, with critics hailing the rise of Quality series such as Mad Men and 30 Rock. Likewise, DVDs and DVRs, web video, HDTV, and mobile devices have shifted the longstanding

conception of television as a household appliance toward a new

understanding of TV a
