Sommario/riassunto	In 2006 Leiden University has initiated a series Leiden Dissertations at Leiden University Press. This series affords an opportunity to those who have recently obtained their doctorate to publish the results of their doctoral research so as to ensure a wide distribution among colleagues and the interested public. The dissertations will become available both in printed and in digital versions. Books from this LUP series can be ordered through <a href="http://www.lup.nl">www.lup.nl</a> . The large majority of Leiden dissertations from 2005 onwards is available digitally on <a href="http://www.dissertation.leidenuniv.nl">www.dissertation.leidenuniv.nl</a> . The understanding of th
