Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Introduction to impact evaluation -- pt. 2. How to evaluate -- pt. 3. How to implement and impact evaluation.
Sommario/riassunto	This book offers an accessible introduction to the topic of impact evaluation and its practice in development. While the book is geared principally towards development practitioners and policymakers designing prospective impact evaluations, we trust that it will be a valuable resource for students and others interested in using impact evaluation. Prospective impact evaluations should be used selectively to assess whether or not a program has achieved its intended results, or to test alternatives for achieving those results. We consider that more and better impact evaluation will help strengthe
