Managing and coping with everyday life : struggles and tribulations -- ch. 7. Faithful acts of caring : lessons on a meaningful life -- ch. 8. Society's obligation : doing more for our children. |
| Sommario/riassunto | According to one estimate, nearly 21 percent of U.S. children ages 9 to 17 have a diagnosable mental or addictive disorder with some recognizable impairment. What is it like for the parents who have to care for, mentor, and protect these children day in and day out, often far beyond their childhood years? How do they cope? How can society help? |
