Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Prior to the First World War -- First World War -- Inter-war years -- Second World War -- Cold War onset -- Cold War divergence -- Post-Cold War reconvergence -- Responding to the long war on terrorism.
Sommario/riassunto	Australia and Canada may have different security strategies, reflecting contrasting domestic circumstances, but John Blaxland shows that common interests have led their forces to work together for over a century. Strategic Cousins examines the role of the professional armed forces of these geographically distant nations through a comparison of their historical experiences with expeditionary land forces.
