Sommario/riassunto	Merleau-Ponty was one of the most important European philosophers of the 20th century, whose work made enormous contributions to the

development of phenomenology and the concept of the lived-body. Clearly and thematically structured, covering all Merleau-Ponty's key works and focussing particularly on the hugely important *The Phenomenology of Perception*, *Starting with Merleau-Ponty* leads the reader through a thorough overview of the development of his thought, resulting in a more thorough understanding of the roots of his philosophical concerns. Offering coverage of the full range of Merleau-P
