Sommario/riassunto

This book continues the work of *The Qur'an in its Historical Context*, in
which an international group of scholars address an expanded range of
topics on the Qur'an and its origins, looking beyond medieval Islamic
traditions to present the Qur'an's own conversation with the religions
and literatures of its day. Particular attention is paid to recent debates
and controversies in the field, and to uncovering the Qur'an's
relationship with Judaism and Christianity. After a foreword by
Abdolkarim Soroush, chapters by renowned experts cover: method in Q
