Sommario/riassunto

From Ricoeur to Action engages with the thinking of the French philosopher Paul Ricoeur (1913-2005) in order to propose innovative responses to 21st-century problems actively contributing to global conflict. Ricoeur's ability to draw from a diverse field of philosophers and theologians and to provide mediation to seemingly irreconcilable views often has both explicit and implicit practical application to socio-political questions. Here an international team of leading Ricoeur scholars develop critical yet productive responses through the development of Ricoeur's thought with respect to such to
