Sommario/riassunto	<p>The importance of creating a favourable impression is hard to overstate in all walks of life - in business it's vital to achieve strategic goals. Customers, journalists, bloggers, investors, governments and other groups are all important stakeholders in an organizations performance</p>

and in persuasively communicating a company's ethical and socially responsible behaviour, these groups can be kept onside. Supported throughout by lively examples, this book contains guidance for implementing strategies that engage stakeholders - highlighting those organizations which employ communication professionals
