Data protection in the pre-Lisbon pillar I

Sommario/riassunto

Since the coming into force of the Lisbon Treaty in 2009, and the contemporaneous publication of the Stockholm Programme, the area of freedom, security and justice has obtained a more secure legal basis within the EU treaty framework and now has a coherent policy programme set out for its development. A key aspect in the area of freedom, security and justice are the EU's provisions dealing with counter-terrorism. This book examines the rapidly emerging area of EU law and policy on counter-terrorism, addressing these twin disciplines from both a theoretical and practical perspective. T
