Sommario/riassunto	Democracy is killing the West. That is the stunning conclusion of this book that tears apart the consensus underpinning modern political assumptions. Democracy is held to solve one of the oldest puzzles of human social life: how do we ensure that our rulers have a legitimate mandate and rule in the interests of the whole community? We are supposedly now guided by institutions whose democratic mandate ensures that they will govern in a benign manner in the interests of all. Democracy & the Fa...
