Sommario/riassunto	Through much of the 20th century, federal policy toward Indians sought to extinguish all remnants of native life and culture. That policy was dramatically confronted in the late 1960's when a loose coalition of hippies, civil rights advocates, Black Panthers, unions, Mexican-Americans, Quakers and other Christians, celebrities, and others joined with Red Power activists to fight for Indian rights. In Hippies, Indians, and the Fight for Red Power, Sherry Smith offers the first full account of

this remarkable story. Hippies were among the first non-Indians of the post-World War II generation to...
