Sommario/riassunto	The Southern Tang was one of China's minor dynasties and one of the great states in China in the tenth century. Although often regarded as one of several states preceding the much better known Song dynasty (960-1279), the Southern Tang dynasty was in fact the key state in this period, preserving cultural values and artefacts from the former great Tang dynasty (618-907) which were to form the basis of Song rule, and thereby presenting the Song with a direct link to the Tang and its traditions. Drawing mainly on primary Chinese sources, this is the first book in English to provid
