Sommario/riassunto	In More God, Less Crime renowned criminologist Byron R. Johnson proves that religion can be a powerful antidote to crime. The book describes how faith communities, congregations, and faith-based organizations are essential in forming partnerships necessary to provide the human and spiritual capital to effectively address crime, offender rehabilitation, and the substantial aftercare problems facing former prisoners. There is scattered research literature on religion and

crime but until now, there has never been one publication that systematically and rigorously analyzes what
