Sommario/riassunto

Surfing today evokes many things: thundering waves, warm beaches, bikinis and lifeguards, and carefree pleasure. But is the story of surfing really as simple as popular culture suggests? In this first international political history of the sport, Scott Laderman shows that while wave riding is indeed capable of stimulating tremendous pleasure, its globalization went hand in hand with the blood and repression of the long twentieth century. Emerging as an imperial instrument in post-annexation Hawaii, spawning a form of tourism that conquered the littoral Third World, tracing the struggle against South African apartheid, and employed as a diplomatic weapon in America's Cold War arsenal, the saga of modern surfing is only partially captured by Gidget, the Beach Boys, and the film Blue Crush. From nineteenth-century American empire-building in the Pacific to the low-wage labor of the surf industry today, Laderman argues that surfing in fact closely mirrored American foreign relations. Yet despite its less-than-golden past, the sport continues to captivate people worldwide. Whether in El Salvador or Indonesia or points between, the modern history of this cherished pastime is hardly an uncomplicated story of beachside bliss. Sometimes messy, occasionally contentious, but never dull, surfing offers us a whole new way of viewing our globalized world.

Soggetti	Palestinian Arabs Jewish-Arab relations Arab-Israeli conflict - 1993-
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from publisher's bibliographic system (viewed on 05 Oct 2015).
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Machine generated contents note: Introduction: the other Palestinian problem; Part I. The Conflict Within: 1. Palestinians in Israel: separate and unequal; 2. Palestinian politics in a Jewish state; 3. A radicalized minority?; 4. The Jewish majority and the Arab 'other'; Part II. Managing the Conflict: 5. The formation of the Jewish Republic; 6. Alternatives to ethnic hegemony; 7. Neither ethnocracy nor binationalism: seeking the middle ground; 8. Israel's challenge: moving from hegemony to equality; Conclusion: a comprehensive resolution of the Palestinian problem.
Sommario/riassunto	Arguing that a comprehensive and lasting solution to the Israeli-Palestinian conflict depends on a resolution of the Jewish-Palestinian

conflict within Israel as much as it does on resolving the conflict between Israel and Palestinians in the Occupied Territories, this timely book explores the causes and consequences of the growing conflict between Israel's Jewish majority and its Palestinian-Arab minority. It warns that if Jewish-Arab relations in Israel continue to deteriorate, this will pose a serious threat to the stability of Israel, to the quality of Israeli democracy and to the potential for peace in the Middle East. The book examines the views and attitudes of both the Palestinian minority and the Jewish majority, as well as the Israeli state's historic approach to its Arab citizens. Drawing upon the experience of other states with national minorities, the authors put forward specific proposals for safeguarding and enhancing the rights of the Palestinian minority while maintaining the country's Jewish identity.
