Nota di contenuto	The institutionalization of the Supreme Court law clerk -- A great ordeal : selecting Supreme Court law clerks -- The junior court : deciding to decide -- Decision making : mission-inspired crusaders? -- Opinion writing : from research assistants to junior justices -- Sorcerers' apprentices.
Sommario/riassunto	Law clerks have been a permanent fixture in the halls of the United States Supreme Court from its founding, but the relationship between clerks and their justices has generally been cloaked in secrecy. While the role of the justice is both public and formal, particularly in terms of the decisions a justice makes and the power that he or she can wield in the American political system, the clerk has historically operated behind closed doors. Do clerks make actual decisions that they impart to justices, or are they only research assistants that carry out the instructions of the decision makers-th

Nota di contenuto	Front Matter -- Introduction -- Moria de Erasmo Roterodamo -- Appendix -- Bibliography -- Indexes.
Sommario/riassunto	The existence of a early Spanish translation of Erasmus's <i>Encomium Moriae</i> has been matter of speculation and unsuccessful research for over a century. This volume offers for the first time the edition of a seventeenth-century manuscript discovered at Ets Haim/Livraria Montezinos (Amsterdam) by its editors. They demonstrate that it is not only the first known early modern Spanish translation of Erasmus's chef-d'œuvre, but a copy of a much earlier version, composed in mid-sixteenth century. This scholarly edition has been arranged for an easy textual collation with the canonical edition (ASD IV: 3) and translation (CWE 27) of Erasmus's <i>Praise of Folly</i> and includes an extensive apparatus of footnotes devoted both to this version and to Erasmus's <i>Moriae Encomium</i> itself.
