

1. Record Nr.	UNINA9910449950403321
Autore	Rocke Michael
Titolo	Forbidden friendships : homosexuality and male culture in Renaissance Florence / / Michael Rocke
Pubbl/distr/stampa	New York ; ; Oxford, [England] : , : Oxford University Press, , 1996 ©1996
ISBN	0-19-028412-9 1-280-47088-7 0-19-802343-X 0-19-535268-8 1-60256-304-7
Descrizione fisica	1 online resource (536 p.)
Collana	Studies in the History of Sexuality
Disciplina	306.76/62/0945/51
Soggetti	Male homosexuality - Italy - Florence - History Sodomy - Italy - Florence - History Gay men - Italy - Florence - History Renaissance - Italy - Florence Homophobia - Italy - Florence - History Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Originally presented as the author's thesis (Ph. D.--State University of New York at Binghamton).
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Cover Page; Title Page; Copyright Page; Dedication; Acknowledgments; Contents; Introduction: Florence and Sodomy; PART I; 1: Making Problems: Preoccupations and Controversy over Sodomy in the Early Fifteenth Century; Traditional Controls; Agitation for Reform, 1400-1432; The Attack from the Pulpit: Bernardino of Siena; 2: The Officers of the Night; The Institution; Politics and Sodomy in the 1430's; The Turning Point in the Late 1450's; The Magistrates at Work; Community Controls; PART II; 3: "He Keeps Him Like a Woman": Age and Gender in the Social Organization of Sodomy Sexual Roles and Behavior Boys and Men; Becoming a Man; 4: Social Profiles; Young and Old; Bachelors and Husbands; Provenance and Residence; Social Composition; 5: "Great Love and Good Brotherhood":

Sodomy and Male Sociability; Encounters; The Character of Sodomitical Relations; Family Complicity; Friends, Networks, Sodalities; PART III; 6: Politics and Sodomy in the Late Fifteenth Century: The Medici, Savonarola, and the Abolition of the Night Officers; The Lorenzan Age; The Coming Scourge; The Spirit and the Flesh: Sodomy in Savonarolan Florence; The Suppression of the Office of the Night  
Epilogue: Change and Continuity in the Policing of Sodomy in the Sixteenth Century Appendix A: Penalties Levied; Appendix B: Statistical Tables; Notes; Bibliography; Index

## Sommario/riassunto

"This is a superb work of scholarship, impossible to overpraise.... It marks a milestone in the 20-year rise of gay and lesbian studies."-- Martin Duberman, *The Advocate* The men of Renaissance Florence were so renowned for sodomy that "Florenzer" in German meant "sodomite." In the late fifteenth century, as many as one in two Florentine men had come to the attention of the authorities for sodomy by the time they were thirty. In 1432 The Office of the Night was created specifically to police sodomy in Florence. Indeed, nearly all Florentine males probably had some kind of same-sex experience

Monografia

Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Front Cover; Dedication; Contents; Preface; Authors; 1. Mathematical Modeling for Structural Analysis; 2. Structural Models and Structural Modeling; 3. Exploring Intuition: Beams, Trusses, and Cylinders; 4. Estimating Stresses and Displacements in Arches; 5. Estimating the Behavior of Coupled Discrete Systems; 6. Buildings Modeling as Coupled Beams: Static Response Estimates; 7. Buildings Modeled as Coupled Beams: Natural Frequency Estimates
Sommario/riassunto	Explicitly reintroducing the idea of modeling to the analysis of structures, Analytical Estimates of Structural Behavior presents an integrated approach to modeling and estimating the behavior of structures. With the increasing reliance on computer-based approaches in structural analysis, it is becoming even more important for structural engineers to recognize that they are dealing with models of structures, not with the actual structures. As tempting as it is to run innumerable simulations, closed-form estimates can be effectively used to guide and check numerical results,
