Nota di contenuto	The ulema matter -- Branding and rebranding the religious establishment -- Contesting visions of reform -- The remaking and unmaking of religious education -- Political activism and its discontents -- Trials of the early republic -- Ottoman memories, republican realities -- Past legacies, future prospects.
Sommario/riassunto	To better understand the diverse inheritance of Islamic movements in present-day Turkey, we must take a closer look at the religious establishment, the ulema, during the first half of the twentieth century. During the closing years of the Ottoman Empire and the early decades of the Republic of Turkey, the spread of secularist and anti-religious ideas had a major impact on the views and political leanings of the ulema. This book explores the intellectual debates and political movements of the religious establishment during this time. Bein reveals how competing visions of development
