Note generali	Reprinted in 2003.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Psychogenic autism -- pt. 2. Psychogenic autism in neurotic patients.
Sommario/riassunto	"Tustin deals very sensitively and sensibly with the knotty problem of parents' contribution to autistic development, providing a balanced interactive view which does not allocate blame. Her discussion of autistic objects and autistic shapes is illuminating and has widespread clinical applicability. This book is highly recommended reading" - Mary Boston, British Journal of Medical Psychology.
