Sommario/riassunto	The eating disorders - anorexia nervosa, bulimia nervosa, and obesity - affect many thousands of people each year, particularly young women. Eating disorders are a subject which parents today cannot study enough; it is believed that over 1 million people in the UK alone have a significant problem with an eating disorder and that up to 90,000 of those are receiving treatment. Eating Disorders: The Facts is a guide to the three major eating disorders: anorexia, bulimia and

obesity. This comprehensive guide considers why eating disorders occur, and then looks at each in turn, describing the eatin
