Sommario/riassunto	The expression of an Islamic political radicalism in Britain has been one of the most dramatic developments in recent decades. Islamic Radicalism and Multicultural Politics explores the nature of this phenomenon by analysing the origins of Islam and its historical contact with Western Europe and Britain, and the emergence of Islamic political radicalism in the Muslim world and in the West. Tahir Abbas draws on

historical analysis and contemporary case studies to explore the post-war immigration and integration of Muslim groups, the complex relations that exist between
