Sommario/riassunto This textbook provides a comprehensive overview of different methods and sources of information-gathering for peace and conflict students and researchers, as well as the challenges presented by such work. Research on conflict-ridden societies carries special challenges for the collection and evaluation of information about the conflict and its actors. First, due to the nature of information emerging, incentives to misrepresent and propaganda is common. News coverage is sometimes poor and reporting is often incomplete, selective and biased. Second, the sensitivity of the topic and the
