Nota di contenuto	Cover; Contents; Front Matter; Half Title; Frontispiece; Title Page; Author's Preface; List of Illustrations; Body Matter; Chapter I; Chapter II; Chapter III; Chapter IV; Chapter V; Chapter VI; Chapter VII; Chapter VIII; Chapter IX; Chapter X; Back Matter; Appendices; Appendix I; Appendix II; Appendix III; Index; Plates
Sommario/riassunto	This book is a very important text for any student of the development of the machine gun, and contains details of the history of this weapon from its inception to the mid-point of the First World War. The evolution of the machine gun is detailed, followed by examples of the use of the weapon in war, and particularly in the Russo-Japanese War. Tactics are examined in detail, both from the historical point of view and tactics of the First World War, an important part of the book.
