| Nota di contenuto       | Fieldwork and methods -- Immigration and evolution of identity -- The image of the other in personal narratives -- Symbolic dimensions of time and space -- Lucky coincidence, fate, and miracles in immigrants' lives -- Language and immigrants' identity -- The new life of Russian and Soviet folklore in Israel.                 |
| Sommario/riassunto      | In the final years of the Soviet Union and into the 1990s, Soviet Jews migrated at an unprecedented rate to Israel. Here, ex-Soviets tell their immigration experiences, allowing readers to explore this topic directly through immigrants' thoughts, memories, and feelings, rather than artifacts like magazines, films, or books. |
