Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction : cross-cultural competence -- Theoretical framework of coordination among unequals -- Membership survey project : covert conflict inhibiting coordination -- Job trends project : a commitment to unrevised assumptions -- Analyzing coordination failures -- Canyon Inn Project : resolving ambiguity -- Analyzing a coordination success -- Conclusion : navigating power.
Sommario/riassunto	Navigating Power: Cross-Cultural Competence in Navajoland by Gelaye Debebe uses data of an inter-organizational relationship between a Navajo and Anglo organization to show how concerns about political inequality trump cultural differences. Debebe examines how interactions among individuals representing culturally dissimilar and politically unequal groups impact task coordination in organizational settings. While past research has emphasized how cultural differences affect the course of interactions, this book focuses on the impact of
