Sommario/riassunto	Black women in marginalized communities are uniquely at risk of battering, rape, sexual harassment, stalking and incest. Through the compelling stories of Black women who have been most affected by racism, persistent poverty, class inequality, limited access to support resources or institutions, Beth E. Richie shows that the threat of violence to Black women has never been more serious, demonstrating how conservative legal, social, political and economic policies have impacted activism in the US-based movement to end violence against women. Richie argues that Black women face particular peril
