Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. I. Introduction -- pt. II. Kosovo's unilateral declaration of independence -- pt. III. Kosovo and self-determination and minority rights -- pt. IV. Implications of Kosovo as a precedent for other regions.
Sommario/riassunto	Kosovo's declaration of independence on 17 February 2008 has had a profound and polarising impact on international relations. While over a third of the world's countries have recognised Kosovo, others have been concerned that it sets a precedent for secessionist minorities. Indeed, Kosovo appears to have been used as a precedent in the Russia-Georgia conflict over South Ossetia. The book brings together contributions from leading academics on the legal aspects of Kosovo and, in particular, the International Court of Justice's Advisory Opinion of 2010. The result is an extensive examination from a variety of experts on Kosovo and its impact on international law.
