Sommario/riassunto	This book explores a largely forgotten legacy of multicultural political thought and practice from within Eastern Europe and examines its relevance to post-Cold War debates on state and nationhood. Featuring a Preface by former UK Home Secretary Charles Clarke, it weaves theory and practice to challenge established understandings of the nation state. Eastern Europe is still too often viewed through the prism of ethnic conflict, which overlooks the region's positive contribution to modern debates on the political management of ethno-cultural diversity, and towards the constructi
