Sommario/riassunto	Duoethnography is a collaborative research methodology in which two or more researchers engage in a dialogue on their disparate histories in a given phenomenon. Their goal is to interrogate and re-conceptualize existing beliefs through a conversation that is written in a play-script format. The methodology of duoethnography serves as the focus of this book. Duoethnography facilitates stratified, nested, auto-ethnographic accounts of a given research context or question, designed to emphasize the complex, reflexive, and aesthetic aspects of both the work in process and the product. As a curricu
