Sommario/riassunto	Languages change and they keep changing as a result of communicative interactions and practices in the context of communities of language users. The articles in this volume showcase a range of such communities and their practices as loci of language change in the history of English. The notion of communities of practice takes its starting point in the work of Jean Lave and Etienne Wenger and refers to groups of people defined both through their membership in a community and through their shared practices. Three types of communities are particularly highlighted: networks of letter writers; grou
