Sommario/riassunto

This is the first text to help students and practicing nurses translate and integrate the philosophy and abstracts of Caring theory into everyday practice. It was developed for use as the primary text for an online caring theory course that will be offered through the Watson Caring Science Institute in October 2013. Through case examples and guiding activities, the book helps students and practitioners to more fully comprehend the meaning and use of each Caritas Process. It draws upon the contemplative and mindfulness teaching of Thich Nhat Hahn, a renowned Buddhist monk, poet, author, teacher
