Sommario/riassunto	Lori Emerson examines how interfaces-from today's multitouch devices to yesterday's desktops, from typewriters to Emily Dickinson's self-bound fascicle volumes-mediate between writer and text as well as between writer and reader. Following the threads of experimental writing from the present into the past, she shows how writers have long tested and transgressed technological boundaries. Reading the means of production as well as the creative works they produce, Emerson demonstrates that technologies are more than mere tools and that the interface is not a neutral border betwe
