| Sommario/riassunto | "Athena in the Gods and Goddesses of the Ancient World series explores the fascinating drama, love stories, and destruction in the myths surrounding the goddess of wisdom. Book includes history, myths, and a family tree. Written with a high interest level to appeal to a more mature audience and a lower level of complexity with clear visuals to help struggling readers along. Considerate text includes tons of fascinating information and wild facts that will hold the readers' interest, allowing for successful mastery and comprehension. A table of contents, glossary with simplified pronunciations, and index all enhance comprehension."-- |

syndrome, or fibromyalgia is a traumatic event that takes place at a time when the patient is already feeling physically (and often emotionally) drained. Minding the Body combines feminist and social constructionist approaches to offer an intimate look into the ways a therapist can help clients cope with the pain, fear, and stigma of serious disease. Minding the Body offers an alternative to the reductive view of the mind-body connection and
