Lampton -- Building a clean system of governance / He Zengke ; comment by Melanie Manion.
Sommario/riassunto	China's path to political reform over the last three decades has been slow, but discourse among Chinese political scientists continues to be vigorous and forward thinking. China's Political Development offers a unique look into the country's evolving political process by combining

chapters authored by twelve prominent Chinese political scientists with an extensive commentary on each chapter by an American scholar of the Chinese political system. Each chapter focuses on a major aspect of the development of the Chinese Party-state, encompassing the changing relations among its constituent parts
