Sommario/riassunto	This book reveals contributions of two men who dedicated their lives to freeing Africa from colonialism and racism. An ideal text for university and legal audiences, this book chronicles the development of the concept of Pan-Africanism and applies its tenets to the processes of de-colonization and nationalism (nation-building) in Africa.

Sommario/riassunto	This ebook on Procuring and Managing Complex Performance examines the multiple challenges of managing operations in environments that have complex infrastructural and performance requirements. As an emerging area in business-to-business research it seeks to combine theory on complexity, purchasing & supply, markets and innovation management. The traditional combination of hierarchy, linear project management and high levels of contractual control has increasing difficulty adapting to the dynamics of emergent customer requirements particularly across capital intensive sectors such as constructi
