Sommario/riassunto	The governance of the HIV/AIDS pandemic has come to represent a multi-faceted and complex operation in which the World Bank has set and sustained the global agenda for by the World Bank. The governance of HIV/ AIDS. Through economic incentive they have restructured the is a political foundations of countries in sub-Saharan Africa and the pursuit of change in state, project that seeks to embed liberal practice through individual, state, and societal community behaviour. At the heart of this practice is the drive to impose blueprint neoliberal market-based solutions on a personal-global</
