Livello bibliografico	Monografia
Note generali	First published 2010 by Ashgate Publishing.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Placing identity theory and research in context -- pt. 2. The research -- pt. 3. Voices -- pt. 4. The coming of the chameleons.
Sommario/riassunto	Demonstrating both that identity is fluid and multifaceted rather than fixed, and that people of an interethnic background do not necessarily experience identity conflict as proposed by some social scientists, Multifaceted Identity of Inter-ethnic Young People explores the manner in which interethnic young people define their identities. As such, it will be of interest to social scientists working in the fields of race, ethnicity and identity.
