Sommario/riassunto

Gain an understanding of the threat to freedom that is posed by state regulation of adolescent sexual behavior  
Sexual autonomy encompasses both the right to engage in wanted sexual activity and the right to be free and protected from unwanted sexual aggression. Only when both aspects of adolescents' rights are recognized can human sexual dignity be fully respected. In *Adolescence, Sexuality, and the Criminal Law*, experts from several disciplines use case studies, legal analysis, empirical examinations, and tables and figures to provide you with an insightful contribution to the deba
